Welcome to Evans Bay Intermediate School

Mihi kia koutou: nau mai haere mai

Welcome to Evans Bay Intermediate School (affectionately known as EBIS). We are aware that the transition from primary to intermediate school can be significant and we put a lot of effort and thought into our transition process. We aim to ensure that the change of school is smooth and that as a result your child can immediately begin to enjoy the many opportunities afforded to them at the intermediate. We are thrilled to have you join the EBIS whānau and we look forward to working with you and your children while they attend our school.

Why choose an intermediate?

At Evans Bay Intermediate we believe that the emerging adolescent is a very special age group to teach. The balance has to be found between learning, knowledge, relationship building, care and humour. It is only with this mixture of ingredients that we find success with students at this unique stage of their development.

This is the age where children are developing self awareness, self identity, opinions and an understanding of the world that they live in. The skill set to foster this is specific as is the understanding to nurture them.

As a PB4L (Positive Behaviour 4 Learning) school we support this development through the values which are the bedrock of everything we do. These values are Respect, Whanaungatanga and Success. We recognise that success for one student looks different from the success of another and as a result we strive to deliver a programme that gives our students the opportunity to achieve success through a wide variety of opportunities, across a wide range of areas.

Our Vision

The vision for our school is: Ākonga engaged on a voyage of success. Our school logo is a waka. To ensure our ākonga are on a voyage of success we ask you to join us in the waka as we strive to establish positive partnerships between home and school. By having the two most significant entities in a child's life working together we know there is no challenge they can't overcome.

Naku noa,
Howard Young

Academic

Evans Bay Intermediate School provides a rich and varied curriculum which covers all of the New Zealand Curriculum, as well as providing our students with a range of learning experiences which cater to the needs of young adolescents.

Though there is a strong emphasis on literacy and mathematics we are committed to providing our students with opportunities to succeed in whichever area is their super power.

Specialist Classes

Akoranga

Specialist Classes

Art

Design

Food and Wellbeing

Science

What is Akoranga?

Akoranga provides learning experiences that allow students to explore their passions and in a range of learning experiences that stretches the curriculum.

Students have a say in their subject selection and most importantly students are treated and valued as individual learners.

Teams

Our school is organised into teams that represent the four winds.

Ngā Hau e Whā - The four winds

Uru - Western wind

Rawhiti - Eastern wind

Tonga - Southern wind

Tokerau - Northern wind

Teams gather together for hui, within team lessons and compete in Inter-Team competitions including: Kapa Haka, Maths Madness, Wearable Art, Matariki and in sports for the Dudley Shield.

Ākauwaiata

Students have opportunities to participate in Kapa Haka and Pasifika performances through our Ākauwaiata programme.

There is both a performance group and an all comers group.

This means all our students can participate in this valuable learning regardless of ability or confidence.

Sport and Physical Education

P.E. - Fundamental skill development

Team Games - Social Development

Inter-School competition - Competitive Development

International Students

Evans Bay Intermediate School complies with the NZ Code of Conduct for International Students. We match students with friendly homestay families and provide support and a rich experience for both the students and the families while they are educated at Evans Bay Intermediate School.

“School is different to Korea. I get to do lots of different activities in school and out in the community. Teachers are very kind.”

Yewon - South Korea

We can have heaps of fun. There are lots of things to do in the big playground like basketball, football and skateboarding.

Oscar - China

Uniform

It is important for students to wear the correct uniform both for their own sense of wellbeing, as a safety consideration and to look smart out both at school and out in the community.

We ask that parents ensure that students wear the correct uniform to school each day and send a note if there is some reason that they are unable to.

Our EBIS uniform is made up of:

- EBIS polo shirt
- EBIS shorts
- Long all black pants
- EBIS polo shirt
- EBIS long sleeved polar fleece
- EBIS PE shirt
- Ankle socks – black

Uniform can be purchased from NZ Uniforms in Thorndon.
