For parents & teachers

If your child or student shows a real desire, talent and passion for the arts, please encourage them to apply.

The trustees, Paul, Mark and Peter Franken, appreciate that the Arts is rich and varied in all its forms, with past winners across the arts spectrum.

The only Qualification is to reside in the Wellington East ward of the WCC, aged 10-15 at time of entry, with a genuine desire for the arts.

The applicant does not have to attend any particular school; if not attending a school at the time, any police constable can support the application in place of a teacher.

We use EBIS for our website and base for selection process and appreciate their hospitality and assistance.
